Since multiple people worked on what we had earlier, that was the version still used. So you are right, your updated version may already reflect our comments, and that's fine too. Just let us know that is indeed the case.

Do the comments on Class VI reflect the previous version or does this document reflect review of the revisions sent on Tuesday as well? As much of the suggestions should be completed in the Tuesday update.

Thank you we appreciate your assistance in this,

Albert Barbery
Groundwater & UIC Programs
WVDEP - DWWM

Subject: Update requested

Hello,

Please advise when you foresee providing comments of the draft WV UIC Rule updates submitted to your Agency. We appreciate feedback so we can plan our work, as our time for getting edits done/final agreement with you that our Rule is acceptable, etc.,

is short.

We very much want to get our proposed rule submitted for the next legislative session and are under direction to get this work done.

Any news is good news in this case, so we look forward to your reply.

Connie
